

## NCNA SCHOOLS TSG REPORT

PREPARED FOR AGM 23<sup>RD</sup> NOVEMBER 2023

BY: Kathryn Gubas (NCNA SCHOOLS TSG Lead)

I would guess most of you here will have first encountered netball at school or like me got more involved when our daughters played at school.

Nowadays netball has to fight for its place in the school curriculum, with so many sports to choose from it is very dependant if a school has a teacher interested in netball as specialist teachers rarely exist now.

However, providing competition is still the key to participation. Otherwise, what is the point of training?

This year we have separated the National Schools competition, from our local grassroots netball, which we named 'Netball for All.'

The entries for Nationals remained roughly the same, 6 or less in each age group. However, Netball for All entries attracted 14 different schools, across 6 age groups. We also have a primary school event planned for May 2024.

### The results so far: Four more tournaments scheduled for 2024

NATIONAL SCHOOLS COUNTY ROUNDS			NETBALL FOR ALL		
Under 14	Winner	Girls High	Under 14	Winner	Carlton Le Willows
	Silver	Rushcliffe		Silver	Arnold Hill
	Bronze	Nottm.High		Bronze	Fernwood
Under 16	Winner	Girls High	Under 16	Winner	Joseph Whitaker
	Silver	Toot Hill		Silver	Ashfield
	Bronze	West Bridgford		Bronze	Carlton Le Willows
Under 19	Winner	West Bridgford	Under 19	Winner	Six schools hope to play in 2024. Availability of courts prohibitive.
	Silver	Rushcliffe		Silver	
	Bronze	Nottm.High		Bronze	

We have managed this with very few volunteers and the support of our county umpires including young up and coming I/os.

If you can support in even a small way, it would be much appreciated. If you have any school contacts that could help that would also be brilliant.
