

SUMMER LEAGUE 2024 UMPIRES

There will be no additional umpire forum prior to the start of Notts Summer league 2024.

Clubs should use the latest eligible umpire list to check whether all their own club umpires are on the list and can also use any other umpire on the list from other clubs or independent umpires to officiate on their behalf.

Please remind all umpires who officiate on your behalf that they should be fully conversant with our local league rules, guest player and photography policies which can all be found on www.ncna.co.uk

Any umpire who has attended an Into Officiating or C award course after 1st September, 2023 does not need to have attended an umpire forum as their course covers them for this season. However, as it is now each individual's responsibility to contact the COL following course attendance, there may be some umpires who have not made contact so will not yet have an allocated mentor or be on the eligible umpire list.

Please contact the County Officiating Lead for advice if any of the following applies:

- An umpire from your club is missing from the list
- An umpire has attended a course but does not appear on the list
- Your club wants to use an umpire who is a member of another county

When contacting the COL, please provide the umpire's name, EN ID number, mobile number, email address and qualification for inclusion on the umpire list.

Wishing you all the best for the Summer League.

Pam
